1982 Reflections
Volume 7

How have you changed since you were born ... since you were in grade school ... and now that you're in high school?

What changes will you have to make after school? You have to learn to live in an unsheltered world. You will be encountering new and different standards and different challenges.

Is the hardest behind us or ahead of us?

Time is one fleeting moment after another; racing away to nowhere, anywhere, or somewhere. It's always amazing how we never have enough time; no time for this; and we can't do that because we haven't enough time in our already hectic schedule.

As time changes, so must we and our enviroment. It is inevitable. One person tries to keep up with the other, and keep challenging life itself. In doing this, the pace of life speeds up: faster and faster and faster ... until ... "Where has all the time gone?!" ... "Its seems like junior high was just yesterday" ... "There's simply not enough time to prepare for the world out there."

Since the beginning there has always been the same amount of time as now. In each part of the world, in the past and in the present, a day is still a day and a week is just a week. It might not have always been called days and weeks, but the same amount of time has always existed. The things that do change is how we spend the time we have.

Technology and the ability to expand our learning has changed our ways of life, giving us too many things to do. Where do we find time for ourselves between our jobs, family demands, school, and sports?

Because we are always hurrying from one thing to another, reality becomes lost between necessities and luxuries as the two become confused.

Everything is affected by time, right? At least that is what I've been told and have seen in my life so far.

Look at our towns and communities where we live. My, how they've changed!

Have they really, or only in our eyes as we have changed?

One big change is the consolidation of North Salem, Pittsboro, and Lizton, into one large Jr.-Sr. high school. Each town used to have their own school; kindergarten through the senior year. The only exception was Lizton school. There, classes only went to eighth grade, and then the students were transported to North Salem everyday for their four years of high school.

Homecoming Events Boost Spirits

Homecoming was a week of spirit and enthusiasm, leading up to a night of excitement and action.

Although the actual night was postponed from Sept. 18 to Oct. 9 because of work on the new track, the delay didn't dampen the hopes and expectations in the school.

The night was begun with a parade which marched from the Lizton apartments to Tri-West. After the parade, Beth Brown was crowned Homecoming Queen.

At halftime the floats were judged. The freshmen float took first place with the theme "Casket those Cadets."

Although the Bruins were defeated by the Cascade Cadets with a score of 9-2, the night was finished off nicely by the Homecoming dance sponsored by the student council.

Top left: Homecoming Queen candidates for 1981 were: C. Eakins, K. Woodall, K. Woodall, L. Williams, B. Brown, C. Smith, J. Smith, L. Layman, and M. The consolidation has provided better facilities to accommodate all the students. New and different classes were added into the schedule which gave the students a wider variety of subjects.

Our sports teams have combined, improved, and become stronger. Larger areas have been provided for practicing and participating, and new equipment has been purchased for our extra-curricular activities.

Another benefit to the students is the expanding of acquaintances and the opportunity to learn more about one another, and to realize the differences between people. New friends, best buddies, and bonding relationships are a few of the results from this. But as always, a few enemies have been made, too.

Seniors, do you remember when you first started school? Does it seem like forever or just yesterday? No matter when it seems, the truth is that it has been 12 years, 4,383 days of your life; and now you've made it to your final year.

It is easy to see the differences from yesterday to today. Technology, time, and other factors have made changes that were unexpected and expected.

Comparing then to now, and all the changes in you and the world, you can realize "We've Come a Long Way".

Graduation Day. The day it really came home to a senior that this was it. The final day of a part of one's life that will never return.

Sunday, May 23 at 2:30 p.m., the graduating class of 1982 began their commencement exercises. Wayne Pullam was declared Valedictorian and the Salutatorian award was bestowed upon Jennice Chaney. Dorene Jackson delivered the Invocation and senior Tina Smith and faculty member Greg Ritz performed, as did the band. Bridgett O'Brien closed the ceremony with the Benediction.

The reception line was formed outside the school, but soon dissolved into a crowd of laughing and happily crying seniors and their friends and family.

Juniors Prepare For The Future

The junior class selected light blue and light yellow for their class colors. Chosen as their class motto was, "If you can imagine it, you can achieve it. If you can dream it, you can become it."

The Junior-Senior Prom was held at the Essex House Hotel on May 1, 1982. The theme song for the prom was, "We've got tonight", by Bob Seger.

The annual magazine sale of the class of 1983 was a big success. In order to help finance the prom the juniors raised $5,968.38 in total magazine sales. The leading sellers were: Melanie Fleece, Doug Goode, and Rosa Martin.

In the fall the juniors worked on a float for the Homecoming parade. The theme was "Take 'em down." Junior class student council members were Darren Williams, John Groover and Lori Cain. Pictured below are the junior class officers from left to right: President Jeff Bradley, treasurer Julie Smith, reporter Kim Woodall, secretary Shelly Stewart, vice-president James Page.

Sophomores Prepare To Move Up

The class of 1984 was definitely one full of spirit. Winning the "Spirit Award" at the 1981 Homecoming proved this to be true. The sophomore class officers were president Alvin Schuh, treasurer Greg Wiles, reporter Laura Martens, secretary Kathy Woodall and vice president Tracy Andrews. Sponsoring the "Queen and King of Hearts" Valentines Day Dance, which took place February 19, the sophomores raised approximately $175.00. Speaking on behalf of the student body were student council members Sharon Duram, Dennis Shirrell and Jane Hicks.

Freshmen Climb To The Top

The class of '85 has taken a big step in entering the high school scene. One of the many activities the freshman class experienced was choosing their class rings.

They showed their school spirit by winning the float competition during Homecoming with the theme of "Casket Those Cadets." They also participated in the locker decorations during Homecoming spirit week.

The class officers were as follows, clockwise: Vice-President Bill Holt, Treasurer Martha Brown, President Todd Holycross, and Secretary Julie Lippard.

The freshman class sponsors were Mr. Ritz and Mrs. Hitchings, who helped organize class meetings.

New Staff Added To Tri-West

Added to the staff were two new people. They were Mrs. Jane Sutton and Mrs. Donna Roberts.

Mrs. Sutton said her most important goal at Tri-West was "to be here for students to talk to when they need someone to help them with problems at home and school." Mrs. Sutton then smiled and said, "I really enjoy it here. I like talking to the students and I like working with the people I work with."

Mrs. Roberts was at Tri-West every Tuesday morning and Thursday afternoon. On every other weekday she was at Pittsboro grade school in the morning and at North Salem grade school in the afternoon. Mrs. Roberts enjoyed her job. She commented, "It's nice to see kids grow and to be able to know good health."

Board Plans To Remodel Schools

Dr. Guenther, superintendent of North West Hendricks for the second year, said, "I really enjoy being superintendent; although it requires a great deal of devotion."He, along with the school board, began major plans to remodel Pittsboro and North Salem. Also, additional rooms will be added to Tri-West for the junior high. The only obstacle delaying construction was "money." The project required quite a large sum.

When asked waht changes Dr. Guenther would like to make at Tri-West he replied that the demand for computers and business education were becoming stronger so he would like to get computers and a vocational program in the near future for high school students.

Dr. Guenther was assisted by the school board members. These members consisted of: Mr. Jay Cox, Mrs. Joyce Christi, Mr. Richard Herring, Mr. Richard Pingle, and Mr. Jack Lee. These people have worked very hard in solving our schools' problems.

Clockwise: Dr. Ronald Guenther, superintendent; Miss Christy Cookerly, secretary to superintendent; Mrs. Anna Martin, corporation secretary.

People On The Move

Behind the scenes are some very important people who are rarely acknowledged. The school cooks, custodians and bus drivers keep the school running through all conditions and situations. As well as preparing the food for the students at Tri-West the cooks have been preparing the food for Pittsboro Elementary School for the past three years and will continue doing so until the kitchen is completed at Pittsboro. All three groups agreed that the most enjoyable part of being the school cooks, bus drivers and custodians was being around the kids. Wayne Rothenberger, who drives bus number 10 stated, "I enjoy having the friendship of the kids and watching them grow and change through the year."

Yearbook, Newspaper Capture

If you had walked into the yearbook room anytime during first period you would have seen layouts scattered on desktops, pictures being cropped, students writing copy, and mainly, students hard at work.

Kim Jackson was editor for the first semester. Following in her footsteps was Debbie Clark for the second semester. Mrs. Essex was advisor for the third year in a row.

The staff had more members than it had ever had before. There were approximately three members assigned to each section of the yearbook. Their duties continued through the first week in June.

Financial support was raised by the students by selling ads to businesses as far away as Crawfordsville. The students also sold yearbooks during lunch periods and between classes to students.

School Events And Student Life

The newspaper staff was the largest it had ever been. They had eight high school members and two jr. high students on the staff. The two jr. high students were selected by Mr. Linson to cover jr. high news. The jr. high members were Angel Huskey and Danny Devlin.

Students' positions and jobs were assigned by Dorene Jackson, editor, and Mrs. Essex, advisor.

The newspaper staff had more pages printed per issue making it more interesting. The paper completely sold out on several occasions.

Mr. Morphew's printing classes printed the newspaper. Also, Mrs. Szewc's typing classes typed finalized articles for the newspaper.

The staff financed the newspaper by selling ads to businesses and also by selling the newspaper for 25¢ an issue to students and teachers.

"We've Got Tonight"

May 1, 1882 was the date of a very special event for the junior and senior classes. On this date the prom was held at the Essex Hotel. The theme for the 1982 prom was "We've Got Tonight."

The dining began around 7:30. The menu consisted of Essex salad, prime rib, baked potato, broccoli polanaise, and for desert, chocolate parfait. After everyone enjoyed the meal the program began.

The prom, as usual, was sponsored by the junior class. Toastmaster for the evening was Darin Williams. Jeff Bradley responded to the welcome and the invocation was given by Lorie Cain. Neil Goodnight, senior class president, gave the response.

Was 1982 Prom Theme

In crowning the queen, the senior candidates chose a junior to escort them. Beth Brown was escorted by Eric Wiles and Patti Dayvolt by John Watts. Shawn Cole escorted Bridgett O'Brien while Jeff Ferguson escorted Chrissy Smith.

Todd Thompson was escorted by Shellie Stewart and Greg Hitch was escorted by Kaye Hammer. Melanie Fleece escorted Jon Wilson and Lorie Cain escorted Barry Newton. As the nervousness grew, finally Bridgett O'Brien and Todd Thompson were announced queen and king.

After the crowning of the queen the band began playing around 9:00 and played until 12:00. The band chosen for the 1982 prom was "Promise." The band took a break while Mrs. Price took prom pictures.

In concluding the prom Mrs. Compton was also crowned queen. Mrs. Compton is the wife of Mr. Bill Compton, a teacher at Tri-West. Mrs. Compton was crowned by Mrs. Purdy's husband for attending sixteen proms.

Special Jobs Demand Special People

Student aids consist of those students who work in the main office, the library, the guidance office, and the bookstore. These students have a number of jobs they are responsible for during the year. Some of these jobs are: answering the telephone, typing, running errands, reshelving library materials, filing catalog cards, and greeting anyone who comes to the offices. During lunch periods bookstore aids sell notebooks, pencils, paints and other school materials students might need.

Join The Club: 4-H

Making new friends, going to new places and learning new ideas were some of the activities involving 4-Hers. Along with taking their projects and livestock to County Fair came much hard work. It takes long hours and a lot of practice to make it all worthwhile. After the county fair, the selected projects and animals then went to the State Fair for further competition. There, they were against 4-Hers from all over the state. The year's activities ended with an achievement night, where 4-Hers received their yearly pins and other awards.

A separate group of 4-Hers were the Junior Leaders. They helped put on the county fair by assisting in every project and making it run smoother. Junior leaders also helped in community service. They were a busy group all year, helping make it all happen.

Clubs Help Students Plan Ahead

This year the Health Careers Club was open to any student in grades 9-12, who was interested in entering the health field. One of the club's activities included attending the annual health careers conference held at Butler University. During the club's meetings health career possibilities were discussed to help awaken students knowledge of various careers in the health area.

The Fellowship of Christian Athletes was made up of those students from grade 7-12 who attended meetings held at Tri-West to study the Bible, pray, and discuss Christianity in their daily lives.

The group was under the leadership of Mr. Greg Ritz, high school math teacher.

Tri-West Shows Its Talent

The night had arrived; everyone was nervous; last minute practicing was taking place; lights came on; and the curtain opened. This was the setting for the 1982 Cabaret held on May 7th and 8th.

Welcoming everyone to Cabaret were Laura Martens and Tracie Summers. Providing music and song were the Jazz Band, Jazz Singers and Choir. The drama class did a skit called "The Sneetches". Some acts were Tina Smith singing "My Song", Yvette Atwood played "Sometimes When We Touch" on the piano. Pilar Jimenez played the guitar and sang El Vendedor. Other singers included Nora Lowe, Pam Myers, Scott Summers and the duo of Carla Bennett and Joe Booker.

For a change in the entertainment a trio of Myra Edwards, Lisa Rhyne, and Yvette Atwood danced to the song of "Still Makin It." Another trio of Bernie Coleman, Brian Selzer, and Jim Cooper played "Hill Street Blues". And to round the night out Leslie Williams twirled the baton to "They're Playing My Song".

"Lights, Camera, Action!"

This year the Thespians took part in many activities such as: the Thespian Masquerade, the Gong Show, the spring play "No Time for Heaven", and the play, "Happy Daze". The Thespians went to the Indiana Repertory Theater and saw a play called "A Christmas Carol."

The club officers for 1982 were President Deanna Garner, Secretary Treasurer Belinda Jones, and the Master-at-Arms was Phil Roberts.

"Happy Daze" told the story of J.T. Springer, played by Jeff Bradley, an unpopular teenager who is suddenly faced with all the problems of youth, peers, young love, parents and acne. To escape these problems, he begins daydreaming and in his mind he becomes a "cool dude" of the 1950's.

"No Time for Heaven" told the story of grandparents played by Deanna Garner and Scott Walden, in the 1850's whose grandchildren just don't want to do as they're told. In the end Grandpa dies and all three grandchildren leave home to follow their various careers.

Foreign Language Club And

An interesting event takes place in Foreign Language Club every year, the annual Christmas party. Members who came to the party brought a foreign dish that they had prepared. After the meal the members took turns trying to bust the pianata. Another event included meeting Foreign exchange students who came from many different countries. Members active in this club heard interesting stories from the exchange students. The exchange students came from El Salvador, Mexico, Sweden and Germany. Along with hearing the students talk, the members also saw slides about other countries.

There were approximately fifty members in the Foreign Language Club. For each activity that took place a volunteer committee took care of all the planning, eliminating the need for officers.

Mrs. Newell felt the importance of the club was for the members to learn the values and concepts of other countries not available in the classroom.

Student Council Set Goals

The student council's elected officers for this year were Beth Brown, president, Jeff Rollings, vice president, Beth Miller, secretary, and John Groover, treasurer.

Major duties for the members included ground cleaning, keeping bulliten boards up to date, cleaning the trophy case, and raising and lowering the flag. But the hardest job was planning Homecoming. In doing so, they had to plan the parade, the queen crowning ceremonies, and the dance that followed the game. Mr. Clark, U.S. History teacher, was the sponsor for student council.

Dancing was the movement all night on February 19. The sophomore class sponsored the Valentines Dance. There was a lot of music and fun everywhere. Mike McNulty was the disc jockey for the night. Another extra for the night was Yvette Atwood playing "The Rose" on the piano.

Later came the crowning of the King and Queen. After everyone voted, the decision was made. The Queen was Bridgett O'Brien and Todd Thompson was crowned the King. After the traditional kiss and royal court dance the dancing went continued. The sophomore class provided a great time and many of memories for all.

The Marching Bruins

This year the Tri-West marching band purchased new band uniforms, and to show their appreciation, on the night of October 23, at the home football game under the direction of Miss. Barbara Ervin the Tri-West marching bruin band proudly paid tribute to all of the people who played part in this year's project. On Saturday, April 17th the band went to contest at Greencastle high school and placed in the second division. They brought back two silver plaques.

Show Their Pride

This year the Bruinettes were under the leadership of Mrs. Lurker, high school art teacher. The girls performed at all home football and basketball games. The captain of the pom-pon girls was senior Leslie Williams, and the co-captain was Lori Lovell. In charge of the flags were Barb Ruble and Teressa Alexander. On March 27th the Bruinettes went to Westfield Washington and competed with schools from all over the state. They were judged on a point system and came out with a first place. A small group made up of Myra Edwards, Lisa Rhyne, and Yvette Attwood also received a first place.

The pep band this year was made up of those band members who played at all home basketball and football games to help spread the spirit among the fans. On Thursday, March 31 the pep band performed at the IGA food and fashion show. Also earlier this year the band participated in the ceremony for the post master general.

That's Entertainment

The officers for choir were Joe Booker — president, Molly Trump — secretary, Patty Bailey — treasurer. The year's activities began with a concert in November at Tri-West. They went to District Contest in January and earned a second place.

Two separate groups were formed from choir, the Jazz Singers and Madrigals. This was the first year for the Madrigals. Along with the first year came new outfits for their performances. In the new outfits they entertained at the Lion's Club in North Salem. The groups performed in a contest in April and the Annual Spring Show at Tri-West. This was also Miss Ervin's first year as the choir director.

Students Honored

"To promote high scholarship and to develop character and leadership," was the reply Mr. Osborn gave when asked the main purpose for Honor Society. Scholastic requirements of a 3.0 grade average and being passed on by a faculty commission are needed to be selected for Honor Society.

This orgranization provided coffee, pie, cake, and other homemade food at four of the varsity basketball games to raise money. Also some tutoring by individual members was given through the guidance office.

The officers for the 1982 year were Wayne Pullam — president, Jayne Leak — vice president, and Dorene Jackson — secretary and treasurer. On May 16 at 7:30 p.m. new members were welcomed into Honor Society. These new members were: sophomores — Yvette Atwood, Tammy Correll, Shelly Criswell, Monica Frecker, Angie Grooms, Dawn Guenther, Jan Handlon, Lana Laymon, Hollis Osborne, Valerie Rife, Todd Schenck, Alvin Schuh, Missy Sellers, Tracie Summers, Erin Sweeney, Lisa Williams, Laura Martens, Sharon Campbell, Vicki Trester, Diane Jackson. Tri-West Spirit Clubs Out-Shine Them All!

The Pep Club, Sweethearts, Honeybars, and Grizzly Bears worked hard this year to help bring more spirit to Tri-West. Posters were made, goodies were baked, and cheering was done, to show support to all athletes.

This year's president for Pep Club was junior Rosa Martin. Chrissy Smith was president of the Sweethearts. Honeybear's president this year was Angie Burkhart.

Cheerleaders Show Enthusiasm While Building Spirit

The cheerleaders were elected on a percentage basis. The athletic council accounted for 40% and the teachers and student body 30% each. The wrestling cheerleaders were elected by the athletic council. Boy cheerleaders were chosen by Mr. Sparks, Mr. Compton, Mrs. Szewc along with the varsity cheerleaders.

Varsity members attended an all day clinic at Lawrence North along with attending the county fair contest. Freshmen cheerleaders attended a camp and a contest at Indiana University and Lawrence North.

Fund raising projects consisted of selling M & M's, cushions, and raffling an all sports season ticket. The money that was raised was used for uniforms and the clinics the cheerleaders attended.

Mrs. Szewc, cheerleading sponsor, felt that the cheerleaders weren't supported well enough for their year long work.

Laura Holman: "O.K. Fine."

Mike McNulty: "Does anyone want to buy a box of M & M's?"

Runners Race For The Finish

The Bruin squad finished their season with an excellent 13-2 record.

The team was composed of some really strong runners this year. They worked hard together all season.

Terry Eyster and Duane Odom improved their times by the largest margins; however all the team members improved not only their times, but their abilities as the season progressed.

The school record was broken twice by Todd Thompson and once by Jeff Rollings. Todd Thompson now holds the school record for the 5,000 meters with a time of 16:11.

Jeff Rollings was voted Most Valuable Runner by the cross country team. Jeff Rollings and Todd Thompson were also named to the All Conference team.

Bruins Advance

The Bruin varsity football played well and put forth a lot of effort throughout the entire season. They finished the season with a 3-4-2 record.

According to head coach, Mike Gillin, the squad found out this year that they could compete with any football team on the schedule. The Bruins were strong offensively, both running and passing and equally strong as a defensive team. The only goal set so far, for next year, remained the same as last year, IMPROVE.

Greg Hitch set all passing reocrds and was also named to the W.C.C all conference team. Barry Newto set all receiving records, also havin the most interceptions with 12 fo the year. Jon Wilson led the Bruins i scoring. Other members named t the all conference team were Scott Cole, Barry Newton, Jon Wi son, and Neil Goodnight.

Bruins Improve

The Bruin reserve football team concluded the season with a 4-2-1 record. This was quite an improvement from last year's standings.

Overall team work, enough people that could be substituted freely, and team balance on offense and defense helped the Bruins to be successful this year according to Coach David Morphew.

Most improved players were Todd Russell as a running back, Andy Cooper as a quarterback, John Watts as a defensive back, and Delane Smith as a defensive lineman.

This was the first year for a freshman football team at Tri-West. Coach Steve Terrell felt their ability to play together as a team and their willingness to play any position where they were needed was a key to their 5-1 record.

Ross Smith was named most improved player. Other awards went to Kip Robinson for best offensive player and Denny Fulton for best defensive player.

Tri-West Can't Be Beat

The Bruin varsity volleyball completed another winning season. Leading the Bruins on to a 19-2 winning season was Coach Vicky Williams. This was the seventh straight year for the varsity to win the sectionals. They aslo played a very good game against Ben Davis in the Regionals, but were finally defeated after 3 games.

The varsity team placed first in the W.C.C. The W.C.C. team members were seniors, Chrissy Smith, Cindy Ratliff, and Jennice Chaney.

Lorie Cain set a school record in serving finishing the season with 164 points. She scored 23 points serving in game played with Cascade. Chrissy Smith had most successful dinks with 56. Sherry Stogsdill was named the most improved player.

Reserve Ends 14-1 Season

The reserve volleyball team finished the season with a fine 14-1 record.

Although the Bruins lost to North Montgomery, they played their best game against this team according to Coach Debbie Sparks.

The reserves' strong point was that they all worked together as a team and were interested in playing volleyball seriously. This was their first year to be coached by Debbie Sparks.

Nora Lowe was named most valuable player. Other awards went to Shari Coons for most points scored and Jean Dinsmore for most spikes.

Bruins Obtain Records

The boys' track team finished their season with a 8-7 record. The strongest features of the team were having good sprinters, an excellent 400 meter relay team and good shot put and discuss performers.

The only goals set so far for next year is to have a winning dual season and to place at least fourth in the conference meet.

Coach Dininger remarked that he was very proud to be associated with this track team and wishes them future success.

The most valuable runners this year were Jon Wilson and Jeff Rollings. The most improved was Wayne Pullam.

Jones, and mgrs. B. Brown, A. Schuh, and D. Garner.

Girls Break Old Records

The track team's strongest points were senior leadership, good attitudes and hard workers. This showed by the breaking of several school records. Diane Martin broke the discus record, Angie Burkhart the 800 run, Sheila Devlin the 1600 run, and the 400 relay team of Chrissy Smith, Annette Waters, Monica Pflum, and Patti Dayvolt broke a record.

The most valuable runners were Chrissy Smith and Patti Dayvolt. Sheila Devlin received the most improved runner award. Chrissy Smith received a first at the WCC, thus becoming a conference champion.

Varsity Displays Skills

This year's varsity team was a very competitive one. They finished with a strong 14-7 overall record. The team was composed of many experienced players that worked hard at every aspect of the game.

Coach McAllister said that he has never been around a group of young men who wanted to be successful or deserved it more. He firmly believed that this year's varsity was of "Championship Caliber", and had they not been plagued by key injuries they would have proven this.

Many school records were broken this year. Scott Cole was the leading scorer and rebounder in the school's history; Barry Newton was second; Greg Hitch was fourth, and Tim Wilson tied for second on most assists.

The only goal set for the future was to play as well and as often as possible.

Reserves Exhibit Style

The bruin reserve basketball team put in much hard work this year. They concluded their season with a 7-12 record.

Although no records are kept for the junior varsity level, many personal goals were accomplished. Coach Nocton felt that quick ball movement and constant efforts on defense were keys to their success.

The team worked well as a team and also individually. The awards given this year went to Kenny Williams for Defense, and Jeff Hedge for Offense. The Mental Attitude Award went to Dennis Shirrell, and the Most Valuable Player Award went to Jeff Hedge.

Varsity Girls Triumph

The Bruin varsity girls basketball team was coached by Miss Judy Snyder. The team finished their season with a fine 18-4 record. Miss Snyder felt the reason for the girls' success was their quickness both on defense and in a press.

Coach Snyder's only plans for the future are for the girls to learn and improve in the game of basketball.

The team really improved and progressed over the season. Kathy Woodall improved tremendously over the season. She averaged 4 steals, 5 assists, 7 points, and 7.4 rebounds.

Kathy Woodall and Jennice Chaney were also selected to the W.C.C. All Conference team.

Reserve Shows Progress

The reserve girls basketball team was coached by Miss Brooks. The girls ended their season with a 8-6 record.

Coach Brooks' goal was to develop a team attitude that showed togetherness on the court and to attain a .500 season. She felt they made great progress in their growth of basketball skills. She also said that they were a very coachable team, with a desire to do the best job they could. They gave all the energy that they had; she felt that she could depend on them to be ready. Coach Brooks has good future prospects for the team.

Tracy Bush and Shelly Schulz were named Most Improved Players.

Frosh Are Well Balanced

The boys freshman basketball team was coached this year by Mr. Eric Rosebrough. The team finished with an overall seasonal record of 13-9.

Coach Rosebrough's only goal for future is to have a winning season. Coach Rosebrough felt that this year's team was one of the most balanced teams he had ever seen. He said there were many players of very equal ability at the season's end which could change due to the dedication of each player to work hard over the summer.

Mat Men Make Move

The 1981-82 Bruin wrestlers were coached by Mark Elliott. The team wrapped the season up with a 3-9 overall record. Coach Elliott felt the team's strongest point was having many young wrestlers, these members gained valuable skills and experience and won several more matches this year.

The team as a whole improved a great deal. Among these wrestlers were Larry Pugliese, Phillip Allen, and Craig Marris. Perry Eyster was named most improved wrestler.

Many records were set this year. Terry Eyster had most team points. He earned 111 overall points this season. Terry Eyster also had most Career Wins with 45, also Most Falls in one season with 17. Fewest Points Scored Against in one season went to Kevin Speer. He only had 24 points in 11 Matches.

Coach Elliott felt the wrestlers put in a lot of hard work.

Swimmers Show Stamina

The girls swim team was coached by Don Dorrell. The girls finished their season with a 0-10-1 record.

Many records were set this year, among them were: Kris Renback — 200, 500 free, 200I.M. free relay and Medey Relay.

Lana Layman — 50, 100 free, both relays.

Patti Dayvolt — Diving.

Rochelle Richard — Medley Relay, 100 Breast.

Nancy France — Medley Relay.

Holly Boyer — 400 Free Relay.

Lana Mathew — Free Relay.

Holly Boyer was named Most improved swimmer. Kris Renback was named Most Valuable Swimmer. Patti Dayvolt received the diving award.

Team Breaks Records

The boys swim team was coached by Don Dorrell. The Bruin swim team was composed of 21 swimmers. This added to their depth and was a factor for their success.

Many records were broken this year; The 200 Medley Relay by Wayne Pullam, Jose Olvera, Darrin Douglass, and Todd Russell; the 200 Free by Cody Fleece; the 200 I.M. by Wayne Pullam; The 50 Free by Todd Russell; the 100 Free by Doug Layman; the 100 Back by Wayne Pullam; the 400 Free Relay by Chris Ross, Todd Russell, Neil Goodnight, Doug Layman.

The team had four, 4-year lettermen this year; they were Doug Layman, Neil Goodnight, Greg Hines, and Wayne Pullam. Mr. Dorrell is expecting a good season next year with 3 returning lettermen.

Bruins Hit

The varsity baseball team concluded their season with a 4-11 record. The team's main strong point was having a good batting team, averaging over .300 most of the season.

Mr. Carter's goal for next year was for the young players to improve, especially the pitchers to

Teeing Off For Victory

The golf team finished their season with a 4-7-1 record. Mr. Alberts felt that senior leadership was a valuable asset to the team.

No future goals have been set as of yet for next year.

This year both Todd Thompson and Dave Moxley finished as all conference golfers for the second consecutive year in a row. Dave tied for second and Todd tied for fourth place in the conference out of forty-five golfers.

Bill Myers was named most improved golfer.

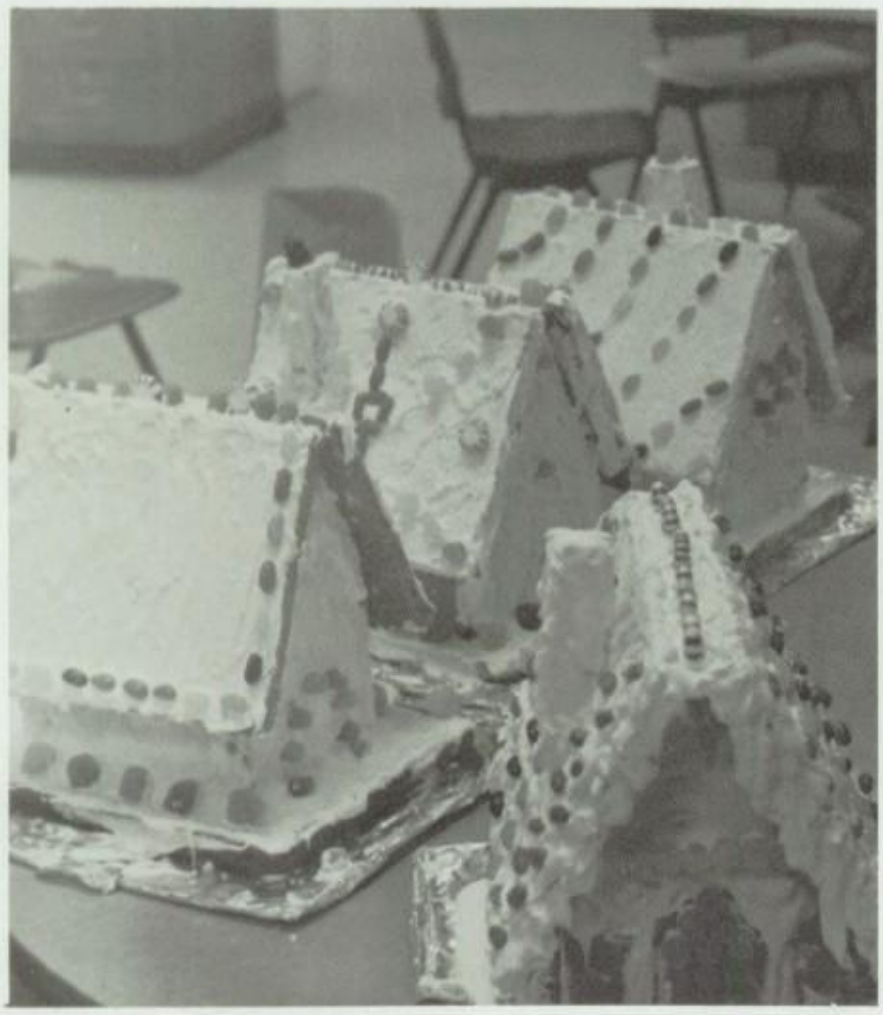
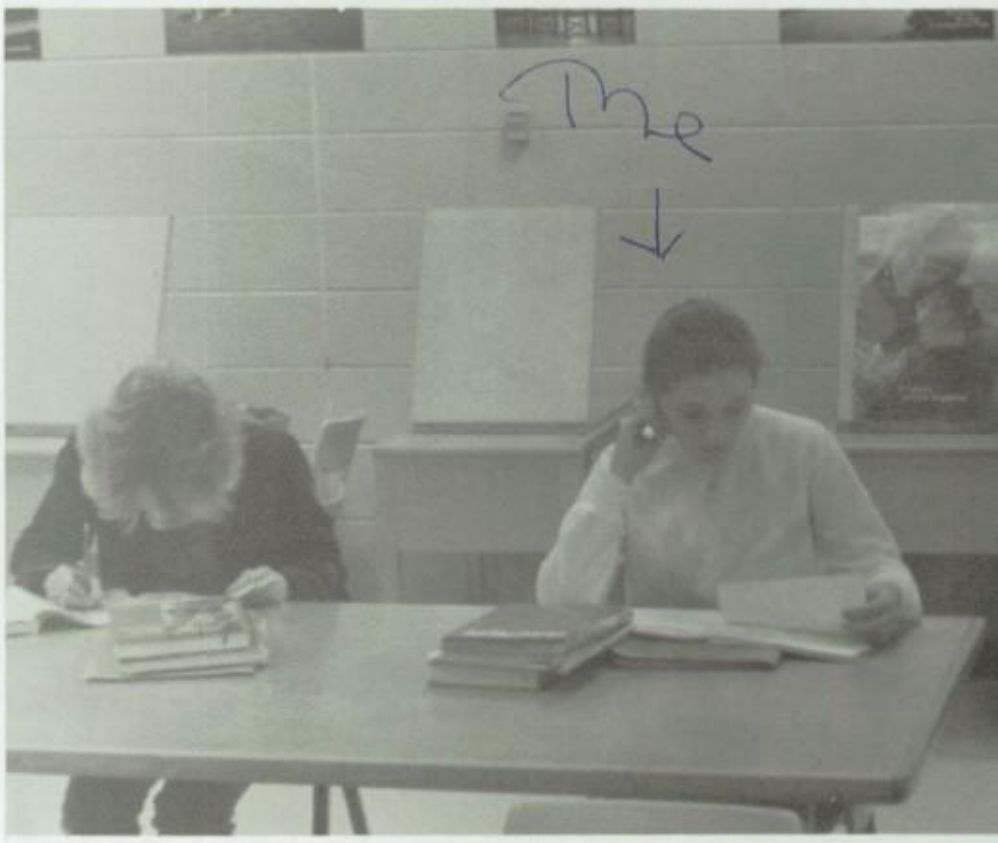
Academics

Home Ec. Classes Keep Up With Times, Styles





In clothing, Mrs. Leak's students were turning more towards blazers and quilts this year.

Miss Gartland's foods classes had several cooking labs and different demonstrations throughout the year. The demonstrations given were: a special demonstration on pork, a demonstration on the care of fruits and vegetables given by the Jamestown IGA, and the advanced classes made gingerbread houses and bread.

The classes Miss Gartland taught consisted of Foods 1, 2, 3, and 4 and 7th grade foods.

Mrs. Dinsmore taught consumer home education, advanced clothing, 7th grade clothing, and personal family living. Mrs. Leak taught Clothing 1-5 and Child Care 8.

Woods and Auto Prove Useful for Future

The procedures of using woodworking materials correctly are taught in Woods class. There were two, new courses added to the curriculum: Manufacturing and House Construction. The manufacturing class made several products, including toy cars, toy trains, and rocking giraffes. The House Construction class activities centered around building a model house.

Mr. Terrell taught Woods 1, Woods 2, Woods 3 — Manufacturing, Woods 4 — House Construction, Woods 5 — Cabinet Making, Woods 6 — Furniture Construction, Woods 7 and 8 — Advanced Woods.

Auto class emphasizes automotive maintenance and the operation of automotive systems and components. Mr. Owen taught Auto 1, 2, 3, 4, 5, 6, Woods 5 and 6, and a small gas engines class for eighth grade.

Listening and Learning New Languages

The foreign language courses were electives, including Spanish and French 1, 2, 3, 4; all these were taught by Mrs. Newell. The students used the headphone sets to listen and to orally exercise correct pronunciation and dialogue.

Also, Mrs. Hitchings taught a small third year Spanish class consisting of only four students. First semester, this Spanish 5, 6 class functioned in a semi-independent environment simultaneously with a junior English class. Additionally two foreign exchange students, Pilar Jimenez and Jose Olvera, assisted the practicing linguists in learning about the Spanish and Mexican cultures.

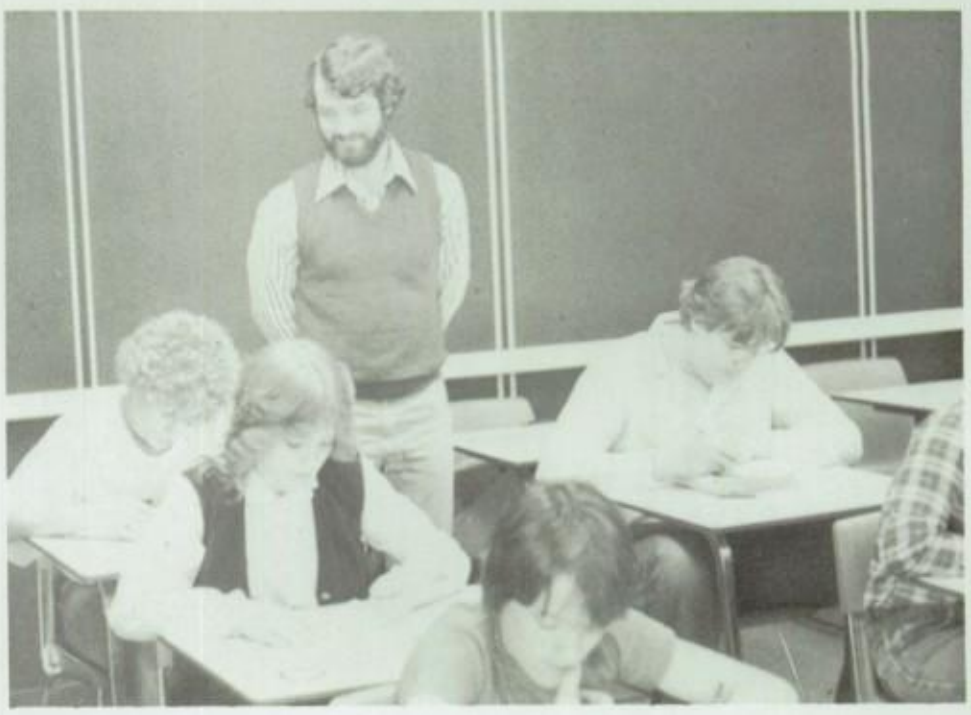
Business and Math Classes Learn Consuming, Counting, Calculus, and Correcting



The typing 2 classes worked on a very special project the last six weeks period. They worked on typing file cards, memos, an invoice, a mailing list, and several letters. They worked for a pretend boss and it was similar to working in a regular office.

Mr. Alberts' general business class traveled to the State Bank of Lizton where they learned several banking procedures.

Mr. Alberts was the general business, consumer business and acct. 1 and 2 teacher. Mr. Osborn taught general math, alg. 3, 4, geometry, and adv. math. Mrs. Purdy taught acct. 1, 2, 3, 4, off. pract., and shorthand 1, 2. Mr. Ritz was the teacher of gen. math 1, 2, and alg. 1, 2. Mrs. Szewc taught typing 1 and 2.

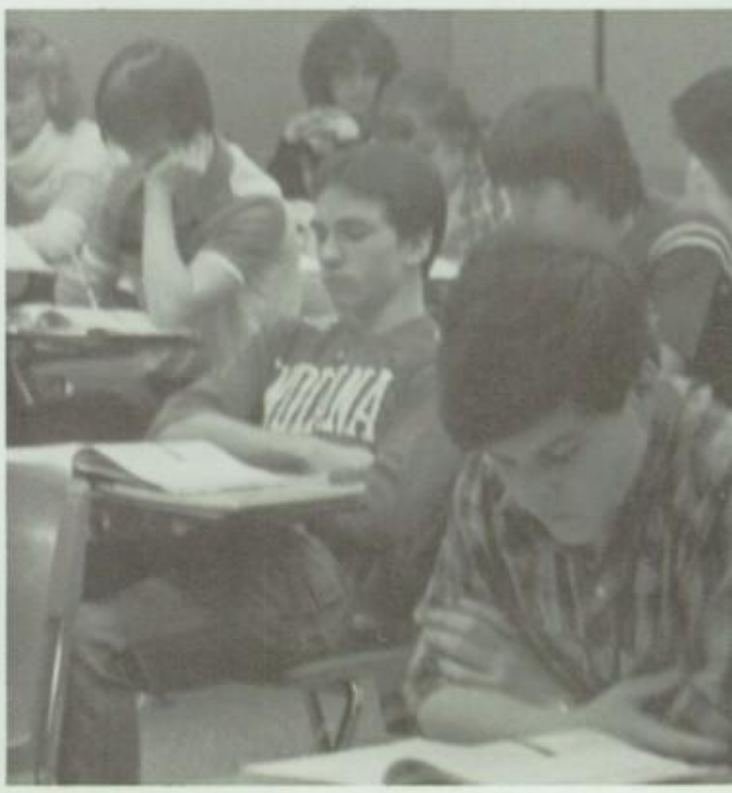
Keep Both Body And Car In Working Order

As a project, Drivers Education classes participated in a reaction braking test. The purpose of this test was to time the students split second decisions in emergency situations. Additionally, they were assigned to prepare either a scrapbook consisting of driving-related articles or a model of hazards on the road.

The North Salem paramedics came to Tri-West again this year



to teach the health classes the procedures of CPR. The health students were required to turn in a scrapbook consisting of study-guide worksheets at the end of each six week period. Several interesting health films were shown throughout the year.

Mr. Carter taught Drivers Ed. (an elective course) and Mr. McAllister was the teacher of Health (a semester course).

P.E. Classes Better Their Abilities And Attitudes

Physical Education is a required course usually took during ninth grade. The main idea is to provide a level of fitness, both physically and mentally. The class involves learning the correct skills and rules of different sports. Some of the activities included are swimming, tennis, golf, badminton, volleyball, softball, gymnastics, basketball, football, hockey, and soccer. This year, the students were able to use the new track.

In advanced P.E., the main objective was to learn the safety aspects and the skills of recreational activities.

Mr. Ken Carter was the teacher of freshmen P.E. and advanced P.E. Mrs. Vicky Williams taught junior high and high school girls P.E.

New Art Teacher Encourages Ingenuity

The Tri-West Art classes made some additions to their itinerary this year. Mrs. Lurker, the new art teacher, allowed for a wide variety of ways in which the students could explore their talents.

There were many different opportunities in the art courses offered. Exploratory Art, Drawing, Painting, Crafts, and six week art classes were available. Additionally, this year, they used Resource Kits from the Indianapolis Museum of Art. These kits are for any school to borrow; they were on loan to Tri-West for two weeks. The kits that were used included the African, Oriental, and Greek.

Top Left: Concentrated creativity seems to be on the minds of all the second period art students.
Top Center: Senior Bridgett Allen appears to be strictly critiquing her masterpiece in art class.
Top Right: Laura Holman patiently observes the talents of Belinda Jones and Mrs. Lurker during second period.
Bottom Left: Candy Bleier, senior, is working diligently on her drawing in first year art class.
Bottom Right: Junior Michelle Lewis pauses momentarily to acquire some "art wisdom" from her advisor, Mrs. Lurker.

Pupils Practice Printing

The drafting 3, 4 classes assisted the woods classes in designing products for mass production.

Guest speakers came from Ivy Tech. and hosted an inking seminar for advanced drafting students and area drafting teachers. The presentation was conducted by Dan Watson, representing Rapid Productions and Koh-1-NOOR.

The printing classes printed business papers and the school newspaper, **The Bear Facts.**

Mr. Jones taught the following courses: Drafting 1, 2, 3, 4, 5, 6, 7, 8, Electrical Wiring, Shop Math, and 7th grade drafting. Mr. Morphew taught electronics, 8th grade electricity, and printing classes.

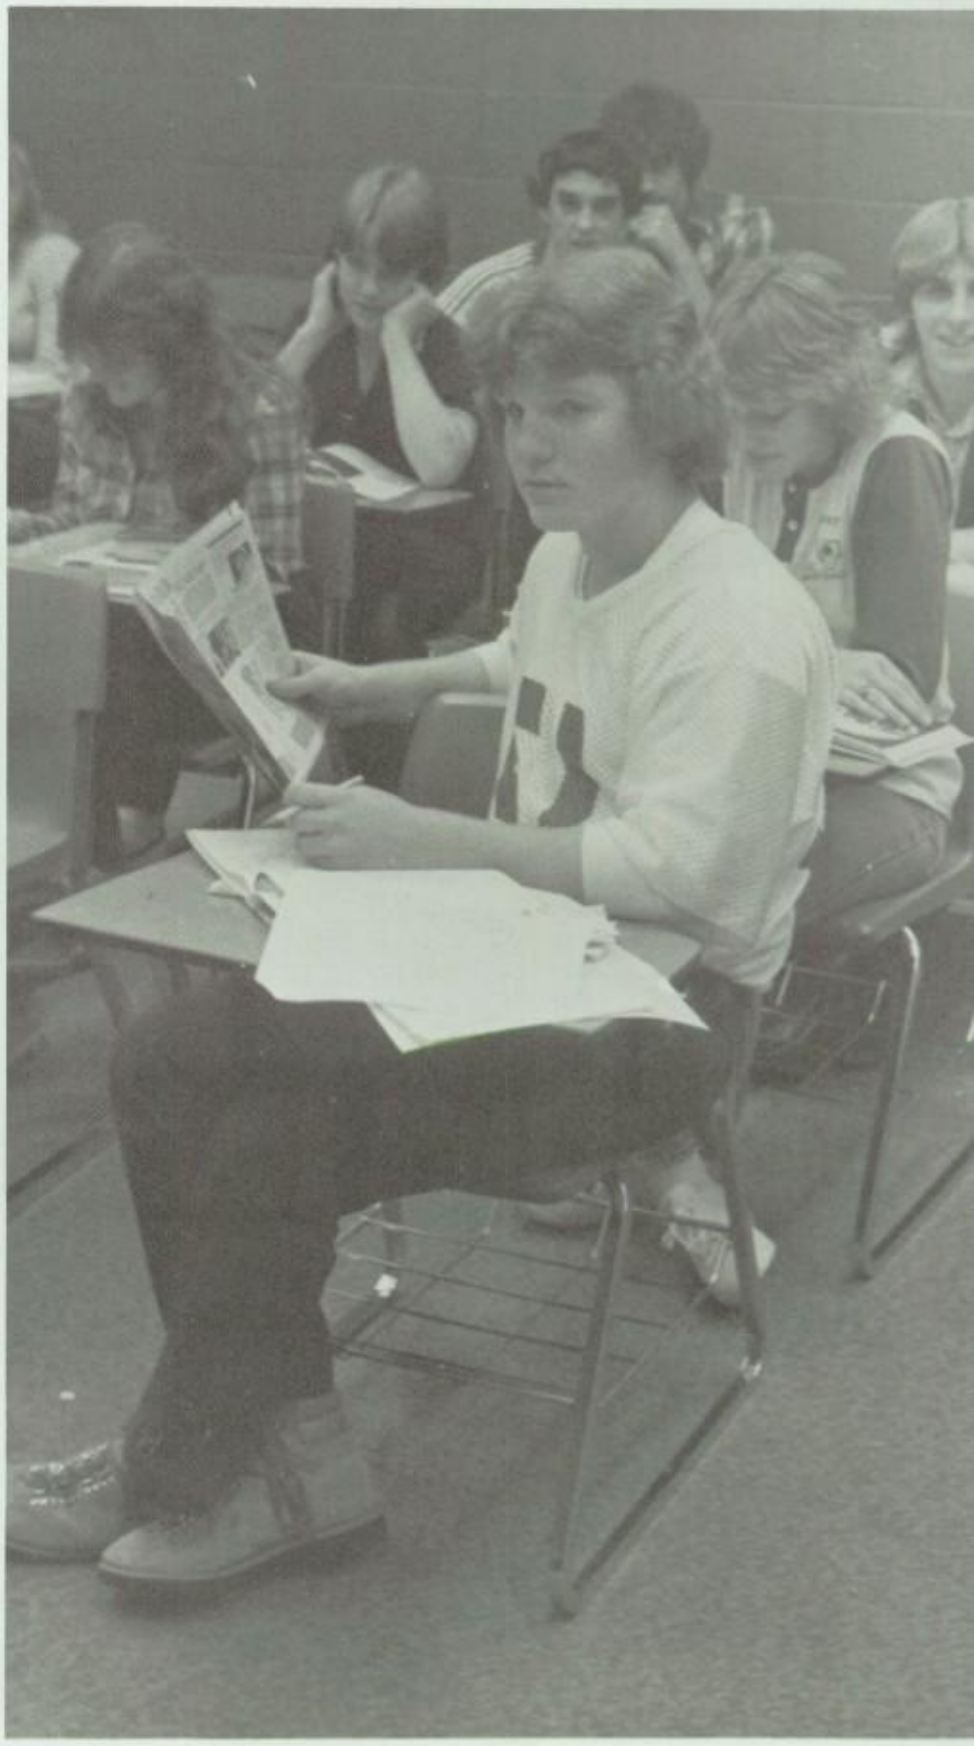
English And Speech Students Learn The Basics

Top Left: Mrs. Essex's English 9 class seems to be keeping busy with their assignments.
Bottom Left: Mrs. Clancy, the librarian, is tickled by a student's remark.
Right: Kevin Moxley reads a magazine in 7th period English class.



English and speech are both required courses. English, which is taken for three or four years, is designed for students to develop better communication and grammar skills. This year, there are 17 different English courses offered. Speech, which is considered an English credit, is usually taken during the sophomore year. It is a basic introduction to the principles of verbal communication. There was not a Speech 11 class because of the lack of interest.

This was Mrs. Hitchings first year to teach at Tri-West. She taught Basic Grammar 9, 10, and 11, Composition for the College Bound, Literature 9, and Spanish 5 and 6.

English 9, Yearbook, Journalism 1, Advanced Journalism (Newspaper), Basic Composition, and English 10 were taught by Mrs. Essex. The Journalism 1 class prepared an issue of the school newspaper at the end of the first semester.

Mrs. Power taught Literature 9, Basic Composition, World Literature, and Advanced Composition. Again, the English 12 class went to the Indiana Repertory Theatre to see a Shakespeare play, "Hamlet".

Mr. Dininger taught English, U.S. History, and Science. His English class taped short stories and also listened to tapes for language arts activities.

Speech and Drama were taught by Mr. Schnitzius. The Drama classes produced plays which showed the students' acting ability.

Top Left: Alvin Schuh, a sophomore, gives a speech during 2nd period speech class.
Top Right: Speech students seem to be amused about something.

Upper right corner: Mr. Cain watches as a voting machine is prepared for his classes' use.
Lower right: In U.S. history, Laura Holman pauses over her notes.
Lower right corner: In economics class, Dan Warren's paper is graded by Mr. Cain.

A wide variety of social study classes, ranging from Civil War History to Sociology, were offered to high school students. The senior classes, taught by Mr. Cain, took a trip to the Indiana State House. Mrs. Shirlee Schuh came to Tri-West and registered seniors in these classes to vote. A voting machine was brought in and the students learned the procedures of using it.

Chief Deputy Prosecutor, Terry Kissinger, came in and talked to Mr. Cain's classes about Indiana law. The classes also made a trip to the Danville Court House.

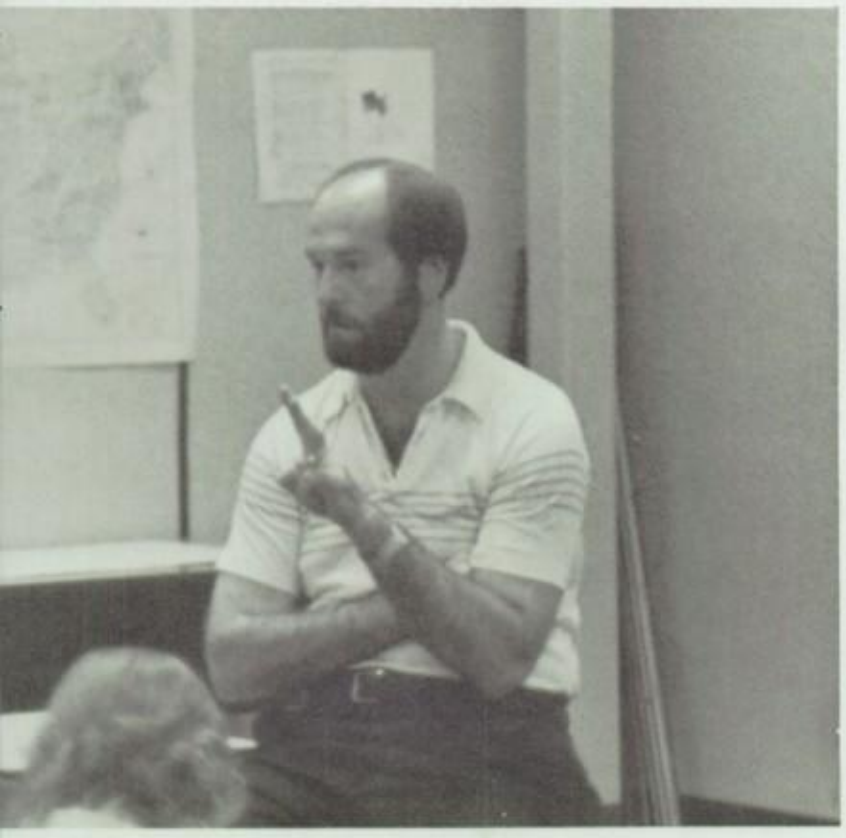
Mr. Compton's junior U.S. History classes played current event jeopardy and worked on Newscenter 13 current event sheets.

Mr. Clark's U.S. History classes compiled notebooks of notes and section surveys to be graded at the end of each semester.

Psychology classes devised and distributed section surveys to several different classes on different topics. They then wrote papers explaining the results and effectiveness of the surveys. The sociology classes had panel discussions and during the last six weeks period worked on a term paper pertaining to a sociology topic.

Mrs. Sutton and Mr. Linson, guidance counselors, taught the semester psychology and sociology classes.

Mr. Clark taught other classes offered which included Civil War History and 20th Century History.



Learning The Laws Of Nature

By dissecting a mink, Mr. Williams' Biology IV students learned about anatomy and how the body works. The dissection was done as a special project at the end of the year.

In advanced chemistry classes the students tested several different products to determine if they really were as good as proclaimed. One such product was Hi-C Fruit Punch and the students discovered it really did have 10% fruit juice.

Mr. Thompson gave two special units on volcanoes and tornadoes to his eighth grade science classes. Mr. Thompson also taught physics and physical science. Mr. Williams was the teacher of biology 3 and 4 and chemistry 1, 2, 3, and 4. Mr. Elliot taught biology 1 and 2 and life science.

Top left: Traci Summers, sophomore, apparently finds Mr. Williams' explanation very humorous.

Jr. high student life was varied and energetic. The students participated in various money making projects, such as selling M & M's and candy bars.

When they weren't busy selling, the students were involved in several extra curricular activities. With help from some teachers, they organized clubs, participated in a spelling bee, had pizza parties, and held two dances.

Jr. High Clubs Rotate Meetings

Junior high clubs rotated their meetings. The meetings were held every other week.

The purpose of the card club was to learn new card games. The members learned how to play eucher, hearts and bridge. The service club did projects to serve the school. This club decorated for the dances the junior high held. Mr. Dorrell and the dance club set up for the junior high dances. The student council, the governing body, and the home room representatives sold m & m's for projects. They also picked up trash around the school and collected aluminum cans.

Mr. Schnitzuus, sponsor of the drama club, helped junior high students put on plays. The music club was similar to the high school jazz band. The pep club for junior high was known as the spirit club. The game club was taught how to play chess, checkers, and also how to master electronic games.

A Little Spirit Goes A Long Way

The junior high cheerleaders sold m & m's again this year to raise money for new uniforms and pom pons. June 21-25 the cheerleaders went to I.U. camp to learn new dances and different cheers. The cheerleaders took home a second place in the ICF grand champ competition. The cheerleading squad also traveled to Brownsburg High School February 20, and took a first place in the Jr. High Division. They received a trophy to show for their hard work.

Let Us Entertain You

The seventh and eighth grade bands performed in a fall and spring concert. A winter concert was cancelled due to inclement weather.

The eighth grade played at the junior high pep sessions and also formed a junior high jazz band.

The two bands sold candles at Christmas to pay for the supplies and music.

Both bands were directed by first year teacher, Miss Barbara Ervin.

Jr. High Running Strong

The jr. high boys track team was very strong in the field events, hurdles, and the 100 and 200 meter dashes.

Brett Clark received the Most Valuable Runner award, and Randy Price received the Most Valuable Field Event award. Scott Criswell received the Mental Attitude award, and Danny Devlin received the Most Improved Runner.

Mr. Ward's goals were to have a winning season and to work with the seventh graders for the next year.

Tri-West junior high cross country team ended their season with 9-6 record. This team was also coached by Mr. Ward. After holding a 2-2 season record, the junior high runners finished their season strong by defeating Sheridan, Western Boone, and finishing third in the eight team South Putam Invitational. Tri-West in two other meets lost to Plainfield and Greencastle. Martin Richards holds the Tri-West junior high two mile course record and was named most valuable runner.

Jr. High Show Their Spirit

The jr. high football coaches this year were Bob Nocton and Walt Dininger.

Coach Nocton felt that the teams' strong points were their enthusiasm and sense of togetherness.

The teams' goals for this season were to try to over achieve their potential and to represent the school well as good citizen-athletes.

Awards went to Tony Hiland for Most Improved Player; P.K. Williams for Most Valuable Player, Steve Kennedy received Best Offensive Lineman Award. Best Defensive Lineman went to Daryl Hedge, Randy Price received Best Back Award, and Best Mental attitude went to Brett Clark.

Jr. Hi Volleyball

The jr. high volleyball teams were again both coached by Miss Tanner Michael.

The seventh grade finished with a winning 7-6 record. The eighth grade wrapped the season up with a 8-6 record.

Coach Michael placed main emphasis on learning, practicing, and perfecting the skills of the game. The seventh grade primarily worked on serving, bump passes, and setting; while the eighth grade continued to improve an existing skills and to learn new ones, specifically blocking and spiking.

Coach Michael felt the teams strong point was that they worked very hard and could make quick decisions on the floor.

Seventh grade awards were: Most Service Aces went to Misty Huskey. Most Good Hits went to Tina Pieper. Kim Adams was named Most Improved Player. Beth Williams was named Most Valuable Player along with having Most Good Serves and Points scored on Serves.

Jr. Hi. Wins Trophy

The main objectives of the jr. high swim team were to have a successful season and to have everyone improve their times. Also they wanted to win our invitational. Although we placed second, this was the first trophy ever won by the jr. high for swimming.

Coach Dorrell felt that having depth really helped the team. The only future goal was to set new records, improve times, and to win the invitational.

Coach Dorrell commented that this years' team has set a good basis and building block for future Tri-West swim teams.

Mrs. Williams was the assistant coach for both boys and girls.

Girls Make 18-1 Record

The jr high girls basketball teams were both coached by Mr. and Mrs. Fulton.

This year the girls learned the basic skills of basketball and how to display good sportsmanship.

The only future goal set for next year was to work harder and to work better as a team.

Mrs. Fulton commented that working with these girls was a pleasure, and that everyone worked together.

For the seventh grade Misty Husky, was the most improved and Barbie Newton was chosen in the eighth grade.

This year the team ended their season in a 18-1 victory.

Jr. High Achieve Success

The seventh and eighth grade boys basketball teams were coached by Don Linson and Mike Gillin. The seventh grade ended their season with a 14-6 record while the eighth grade finished theirs with a 17-3 record.

The only set goals for this season were to enjoy the game, display good sportsmanship, to learn to play the game better, and to win when they could.

Coach Gillin felt the boys will be a very competitive group throughout their high school days.

Wrestlers Learn Basics

This was the third year for a junior high wrestling team. Overall the team was pretty successful. Many wrestlers who previously wrestled last year, participated again this year giving the team more experience. Coach Elliott placed emphasis on just having fun and learning the basic skills of wrestling. Rob Dugan was named Most Improved Player by Coach Elliott for his hard work and progress over the season.

A Letter From The Editor

As co-editors of the 1982 Reflections Yearbook, Kim Jackson and I did our best to make this a special book. We had a fantastic staff to work with. They worked together to get their deadlines met, and they made them every time. Congratulations, guys!

I want to thank everyone, especially Mrs. Essex, for their support and help second semester. I apologize for any errors made in this book, especially to a senior, Jaynie Leak, for the mistake in her senior brag. I'm really sorry, Jaynie.

All things considered, this has been a really good year for our class, and I hope this book "reflects" that we have really come a long way.

Thanks for the memories,
Debbie Clark, co-editor

Penne,

Well the school year is here and so are we Back at tri-West. Penne your such a special friend we have gone through so very much together and I know our love for the lord and our friendship will Never let us down.
